STANLEY RICHARDS

For the fourth time this season Milton Stiefel's famous Playhouse has broken all existing box-office records. The latest record-breaker is the fascinating TALLULAH BANKHEAD, who just completed a busy week at Ivoryton with "HER CARDBOARD LOVER". . . Last week's eight performances turned away more people at the box-office than ever before in the history of the Playhouse . . . the great SARAH BERNHARDT and her farewell tours had nothing on Ivoryton's own FORREST ORR . . . After saying goodbye and leaving in a blaze of glory—he had just completed a sensational week in the title role of "THE MAN WHO CAME TO DINNER" — ORR returned by popular demand to our fold for an important supporting role in "MR. AND MRS. NORTH." Now, ORR says that this is positively his last week since he must start rehearsals for "ARSENIC AND OLD LACE" — but who knows! . . . ERIK RHODES, another of our charming record-breakers, might be sitting next to you in the audience most any night this week. ERIK enjoyed IVORYTON so much that he decided to stay on for two more weeks of vacationing . . . THEODORA BENDER, a lovely member of our resident company, held a beach party for the company last week and it gave us ample time to learn something about this week's guest star, NANCY CARROLL. MISS CARROLL is one of the prettiest and most charming actresses to hit these parts . . . and she is just as pretty offstage . . . if you'd like proof, it might be worth your while to wait at our stage door for the glamorous CARROLL . . . we'll be there ourselves!
